Dear Parent or Guardian:

We feel that you should be informed regarding the school's effort to create and maintain a safe science classroom/laboratory environment.

With the cooperation of the instructors, parents, and students, a safety instruction program can eliminate, prevent, and correct possible hazards.

You should be aware of the safety instructions your son/daughter will receive before engaging in any laboratory work. Please read the list of safety rules. No student will be permitted to perform laboratory activities unless this contract is signed by both the student and parent/guardian and is on file with the teacher.

Your signature on this contract indicates that you have read the students safety contract and laboratory safety rules, and are aware of the measures taken to insure the safety of your son/daughter in the science laboratory. You will instruct your son/daughter to uphold his/her agreement to follow these rules and procedures in the laboratory.
