Sequence of Developing Bone

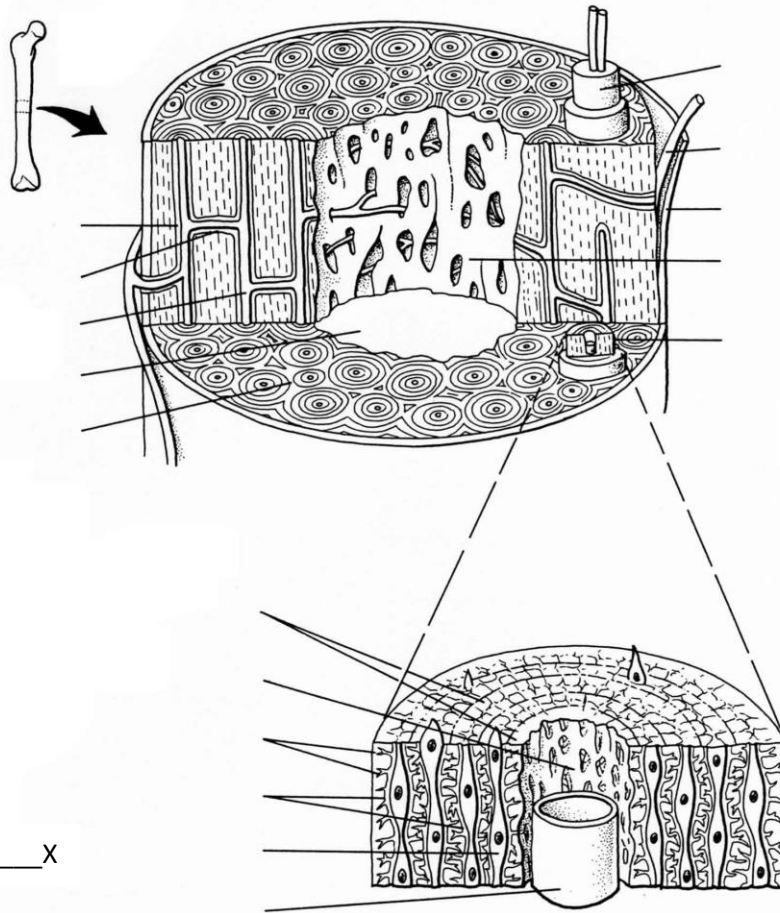

Diagram, Label, Color, Explain (pg.140)

Key

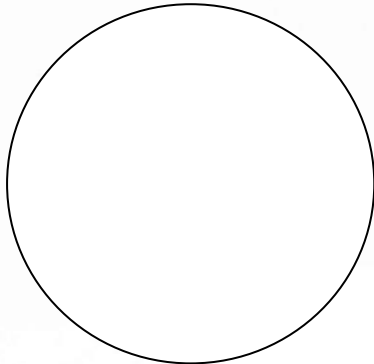

Red= Blood Vessels
Yellow= Bone Tissue
Blue= Cartilage

Appendicular Skeleton Lab

Label and color the microscopic structure of bone.

_____ X

Color Key
Red= Blood Vessels
Yellow= Bone
Blue= Cartilage

Use the classroom skeleton to number each bone in the diagram, then make a bone key at the bottom of this page. Color the axial skeleton green and the appendicular skeleton yellow.
