

# Student Supply List

In order to provide a variety of “Hands-on” laboratories, activities, and in-class projects, the PVHS science department is requesting your assistance. Please review the following list of supplies that your student will need in science this year. These items will be used often and it is suggested that students bring these items every day to avoid having to wait for items being shared by other students.

Glue Sticks  
Scissors  
Colored Pencils  
Metric Ruler  
3 Colors of Highlighter

In addition to the above individual supplies, we are asking that each student bring in the following specific items to be shared with all of Mr. Franco’s science classes. **Your cooperation is greatly needed and appreciated.**

## **Biology Honors:**

\$2.00 for Interactive Notebook (Provided by the Teacher)  
1 box of colored pencils  
2 Packages of 6 Glue Sticks  
1 Package of Spice Drop Candies

## **Anatomy and Physiology Honors:**

1 roll of paper towels  
1 box of latex or non-latex gloves (for those allergic to latex)  
1 bottle of liquid soap/hand sanitizer

## **AP/IB Biology:**

1 roll of paper towels  
1 gallon of distilled water  
1 box of gallon size zip lock bags
